To Whom It May Concern:

We are very pleased to write this letter of reference for the illusionist, Mark Bennick. We host an annual conference for over 800 psychiatric health care providers from all over the world. We are the fourth largest psychiatric conference in the nation. Mark has provided entertainment for our annual conference for the last four years. He has worked closely with Mac King and Ron Lucus to provide a memorable performance for our conference attendees and their families. Each year the attendees are mesmerized by his up-close magic and stage illusions. He is constantly adding new illusions and acts which keep us asking him back year after year. We receive numerous compliments on his performances each year, and working with him is a pleasure. He is always willing to adapt and mold his performance to our needs. He is prompt and professional in all of the business obligations we have contracted with him. We gladly recommend him to anyone looking for a professional illusionist and businessman. Please contact us if you have any further questions concerning Mark.

Sincerely,

Robert Yates  
Conference Coordinator
